Your Business is invited to stand out! To stand out and help support...

“Mack’s Mates”

Our 1 year old son Mack and his ‘mates’ have albinism. They were born to stand out, however, unlike your business they don’t always stand out in a way they want to.

WHAT IS ALBINISM?

Albinism is a rare genetic condition affecting 1 in 17 000 Australians. It causes the body to be unable, or have limited ability to produce the pigment melanin, which is responsible for the colouring of skin, hair and eyes. Most people with albinism have some degree of vision impairment, and many are classed as legally blind.

“Mack’s Mates” are supporting the Albinism Fellowship of Australia (AFA), a not for profit National Charity. AFA have provided many families with support and education, for a condition that is often misunderstood. Our goal is not only to raise the much needed funds to enable the AFA to continue their services, but to also raise awareness and understanding of albinism within the community.

HOW CAN YOU SUPPORT “MACK’S MATES”?

The inaugural “MACK’S MATES” Cocktail Function will be held on 18th October 2014 at The Lakehouse, Brightwater Hotel, Sunshine Coast commencing at 6:30 pm. This event, catering for 300 people will celebrate the unique gift of albinism with all profits donated to the AFA.

You can make a difference by choosing one or more of the sponsorship options on the adjoining page.

“Mack’s Mates” is shaping up to be an event not to be missed on the Sunshine Coast calendar. The evening will be filled with music, fun, celebration and a chance to win a car!

The friends we choose are important, because our friends are those who accept us for who we are. We hope that you will consider becoming one of ‘Mack’s Mates’, stand out from other business’... celebrate, support and help educate the differences that are albinism.

Please contact Stephen or Amanda on the below to discuss any of the above further.
